## Accelerated Increase in Shareholder Returns

**Dividend per Share**  
(RMB)

- High regard for shareholder returns
- With due regard to the Company's robust business development & strong free cash flow, the Board decided to distribute an inaugural interim dividend of RMB 0.120 per share in 2021
- Will raise 2021 full-year dividend payout ratio, with the magnitude to be decided by the Board in March next year taking into account such factors as the Company's profitability, cash flow, future capital requirements & dividend payout in the industry, etc.

**2021: DPS growth > EPS growth**

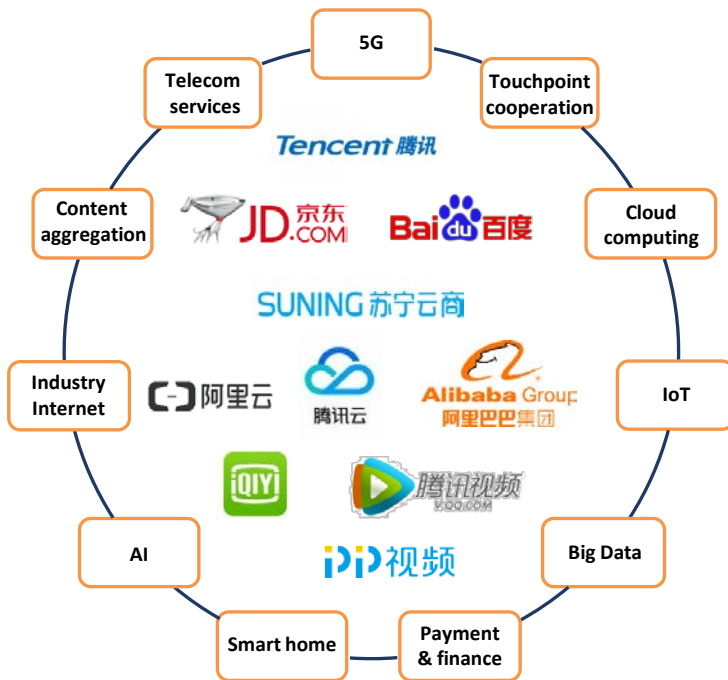

Certain statements contained in this factsheet may be viewed as "forward-looking statements". Such forward-looking statements are subject to known and unknown risks, uncertainties and other factors, which may cause the actual performance, financial condition or results of operations of the Company to be materially different from any future performance, financial condition or results of operations implied by such forward looking statements.
